Photo of the Month

I took this picture while taking family photos at a client's house and the dogs had just as much fun.

I love this photo.

Tip of the month

Lighting can make a real difference when taking photos. Shooting during the early morning or late afternoon light can radically change the overall look of the photo.

'Jubilant in Burgundy' clothing range - Shoot in the City

What fun we had in the city!

Johannesburg is a vibrant and colourful city and the photo shoot captured this mood perfectly. The Jubilant in Burgundy clothing range caters for women of all shapes and sizes and the items chosen for this shoot matched the vibe of the city (as well as the enthusiastic photographers!).

The range consists of wide leg, bootleg and slim-fit pants; classic shirts in neutral colours or funky Shweshwe styles and tailored jackets. New items, like a tailored waistcoat, will soon be introduced.

Partners, Christie van Rooyen and Marinda Aucamp share a passion to make women feel beautiful.

Jana's 13th Crowned Birthday Party - Frozen Backdrop

Jana's party was held on the 13th of June and it was an honour to capture this special birthday. She looked beautiful in her dress.

Unika Concert

This photo was taken at Laerskool Unika's school concert, held before the holiday. I've been shooting Unika's concerts for the past 12 years and every year it's amazing to see the talent on stage. This is Melanie in the photo, she was a natural ballerina on stage and comfortable in front of the camera.

Hi Alet. Baie dankie vir die pragtige foto's wat jy geneem het van die konsert - Leonie
