2015

Newsletter Photo

Our news letter photo off the month was taken at Bundhu - Rus Guest Farm a lovely Venue just 74km outside off Pretoria, we felt right at home and it is the perfect Romantic Wedding venue and lots of photo opportunities to play with.

The couple in the photo is Simoné and Neels, they are getting married on the 26th of September 2015. This is their pre-wedding shoot and Heidi and I am looking forward photographing their wedding day.

Photographic tip off the month

It's impossible to learn the art of photography without making a few mistakes along the way, but if you find yourself doing the same things wrong every time you pick up your camera, it's probably worth getting to the bottom of it.

Blessings
