Photo of the Month

I love doing family photoshoots! The Gauld's were such fun. Bevan and Zelda has been married nearly 5 years. Me and little Joan had such fun with Barney during our time together.

Photographic Tip of the Month

When taking pictures, always make sure that the lighting is correct. For example, never shoot photo's into the sun – Ensure that the sun is always behind you.

Corporate Photo Shoot

Patrysa Franken, Owner of Perfect Touch, is a perfectionist of note – and that is to see in the work that she does. Her attention to detail when it comes to the application of make-up is phenomenal. I often make use of her services for my photoshoots – She is a star!

Ingrid Harper is a Parenting and Community Consultant that invests her time and energy in building the most crucial part of any community – The Family Structure.

“Even though its easy to forget at times, family is the most important thing in the world. This could mean your mother, your father, your siblings, your spouse, your grandparents, your aunts, your uncles, your cousins, your in-laws – but for some, its simply those with whom we share unconditional love.” - Unknown

Cart Racing

Unika Primary School had a Cart Racing Day. This day was enjoyed by the kids and their families. Memories do last forever!

Pregnancy Photo Shoot

Congratulations to Rozanne and Jason! They are 6 months pregnant and I'm looking forward photographing there milestone each month.

Customer Feedback

Bevan and Zelda Gauld: Firstly, Alet, we would like to compliment you on how you handled our 3.5 year old daughter. She has a will of her own, but together with Barney, you made her laugh while taking shots. It was such a special time for us as a family. I highly recommend that all families take the time to do something like this – It was so much fun! And the quality of your work is evident in the results.

Marinda Aucamp: Alet is a gifted photographer. She has the ability to put you at ease and bring out the best in you. A photoshoot with Alet is truly a BLESSED experience.

Spring has arrived – days are warmer and the sunlight brighter!

Have a BLESSED month ahead!

Warm Regards,

Alet Groenewald
